Hi Monica,

Eff. today's date, please add \$5 Million in Computer Values at the following location:

3422 Neeham Road, N. Las Vegas, NV 89030

Thanks,  
Patrice

$$\frac{P/R}{.233} = \frac{9.32}{.233} \\ \$5,000,000 \times .08 \times \frac{9.32}{.233} = \$888 \text{ A.P.}$$
